

## L-BOXX - empty

Made of shatterproof ABS plastic

**Sortimo**  
Intelligente Lösungen

### Application:

For transporting small parts, tools and machines. The L-BOXX optimises the work processes and ensures intelligent organisation, storage and safe transportation of small parts, tools and machines in the workshop.

### Execution:

- Made of extremely high-quality, impact-resistant ABS plastic
- Fully splash-proof
- Maximum load 12 kg
- Traffic load of up to approx. 100 kg
- Ergonomic carry handle and recessed handles on the sides, made from plastic
- Two robust locks

### Advantage:

- The highly innovative click-mechanism allows non-slip stacking
- Secure connection and transport of several L-BOXXs together
- The L-BOXXs can only be connected to each other and separated from each other again using a handle
