# **Tubular Handles**

# 24321.0535

# **Product Description**

Tubular handles are used, for example, on machine doors.

These tubular handles made of aluminium are characterised by their ergonomic and robust construction and modern design. This version is equipped with angled handle legs (legs).

### Material

### Cap

Plastic, light grey

· Aluminium, plastic coated, similar to RAL 9005 black, matt structure

### **Assembly**

Back mount handle.

### More information

#### **Notes**

Special types on request.
