

NEW

Toner for use in

Konica Minolta Bizhub Pro C5500 C6500, C6500P (TN-610)

In 2007 Konica Minolta has successfully launched the new Bizhub Pro C6500 in the central reprographic sector where speed, quality and versatility are important requirements.

With a maximum print production speed of 65 respectively 55 A4 prints per minute in either colour or b&w the new Bizhub Pro C6500 and the smaller Pro C5500 combine extensive media-flexibility with high-speed production and compact design for locations where space is limited. Professional and simple operations and various finishing options make these devices ideal for the central reprographic area.

Printing-cost of these devices can be reduced significantly without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner which is deliverable as finished product in cartridges or in bulk for re-filling of empty OEM cartridges.

Advantages & Benefits

- ▶ OEM equivalent performance and image-quality.
- ▶ Significant reduction of cost per copy.
- ▶ Sourced directly from the manufacturer.
- ▶ Also as bulk toner in cartons of 10 kgs available.
- ▶ Technically supported by the toner manufacturer.
- ▶ Competitively priced premium quality product.
- ▶ Deliverable from Warehouse in Rotterdam.
- ▶ Discounted samples for testing.
- ▶ Selective distribution through competent reseller only.

Technical Features

Features	Konica Minolta (OEM)	CROSS
