

ALLNET 4duino Photoresistor

>>> Zum Shop-Artikel

EAN CODE

ALLNET 4duino Photoresistor

Overview

Detects shake signal
Signal output indicator

Specifications

Dimension: 19.0mm * 16.0mm

Applications

Shake detection
Guard alarm
Smart car
Electric bricks

How to Use

In the case of working with a MCU:

VCC : 3.0V ~ 5.5V
GND : power supply ground
DOUT : MCU.IO (digital output)
