

OtterBox Wireless Charging Pad

FAST CHARGING WIRELESS POWER /

It's a charging pad. Made by OtterBox. So you know it's reliable, durable and does its job every time. OtterBox Wireless Charging Pad delivers up to 10 watts of power to charge up your Qi wireless enabled smartphone fast. Plug in the charging pad, place your phone on top and return to a fully charged device. And, you can be confident that it's charging because your phone stays put on the anti-slip surface. The clean, elemental design blends into the surroundings and the LEDs let you know charging status with a quick glance. Not just simple, the OtterBox Wireless Charging Pad is simply amazing.

FEATURES /

- Up to 10-watt fast charge keeps your devices on the go, not on the shelf
- Durable and simplified design blends into its surroundings
- Powers up Qi wireless enabled smartphones fast
- Charging starts upon contact with your phone even when it's in a case
- LEDs indicate charging status at a glance
- Anti-slip surfaces on top and bottom holds phones in place during charging and keeps Charging Pad gripped to surface
- Hassle-free customer service
