

**Head lamp H7R Core**  
LED, rechargeable battery

**Execution:**

- Compact, powerful and versatile head torch with Advanced Focus System
- Robust magnetic charging system allows the torch to be charged without the need for small, multi-part connectors
- Easy to operate, with a wheel switch on the head of the torch that allows the light to be dimmed through a continuous range
- The head of the torch can be swivelled up and down through a continuous 130° range
- Extremely high protection against dust and water (protection class IP67) thanks to Flex Sealing Technology

**Delivery:**

Battery pack, magnetic charging cable

Art. no.	56814113
Brand	LED-LENSER
Manufacturer Part Number	502122
Model	H7R Core
Luminous flux	1000 lm
Lighting range	250 m
Colour	Black
Type of rechargeable battery/battery	Li-Ion
Number of rechargeable batteries/batteries	1 PCS
Battery designation	Li-Ion
Harmonized System Code	85131000
Gross Weight	404.000 g
