Identification of the manufacturer	BBS
Product type	Eye-protector, goggles for occupational use
Model name	B406
Standard(s) / technical rules	DIN EN 166 : 2001 Essential requirements according to Annex II of the PPE-Directive 89/686/EEC
Test report	10591-ECS-11 & 10592-ECS-11
Specifications	Optical class: 1 Protection against high-speed particles, medium energy impact (B), designed for small headforms (H)
Marking	BBS 1 B – 166 B H CE

Herewith, ECS certifies that the named model complies with the basic requirements for health and safety as they are provided by the European Directive for Personal Protective Equipment 89/686/EEC. This certificate is based both / either on the test results as they are summarized in the named test reports, and/or on the technical documentation as it is delivered by the manufacturer. The applicant / manufacturer agree to the General Business Rules of the ECS GmbH and to additional agreements as they are named in the application for conformity assessment.

The eye-protection device is to be marked as assigned. Either / both the frame and / or the ocular, spectacle, goggle or shield must be signed, as appropriate. If different marking has been assessed, the lowest marking must be applied, respectively. The validity of this EC-type examination will expire on the date as mentioned below, and if the manufacturer modifies the safety-relevant properties of this product with comparison to the tested one or if the requirements in the standards or technical rules will be revised and/or tightened.

Name, address and identification number 1883 of the notified body ECS are to be indicated in the information brochure of this product.

**This EC-type examination certificate is valid until 2016-03.**
