

Packing paper

Sold in rolls, tear-proof kraft paper

Application:

For the prestigious packaging of parcels, as an intermediate or accompanying layer or book insert.

Version:

- Kraft paper made of long-fibred sulphate cellular pulp
- Smooth on one side, closely grooved, natural brown
- High strength
- pH neutral / technically chlorine- and acid-free
- Free of corrosion-promoting components
- High quality guaranteed thanks to product mark no. 846823 and constant quality checks

Advantage:

- Favourable price per square metre in relation to grammage
- High strength
- Easy to print upon for advertising purposes
- Very suitable for technical solutions
