- 3 colours

RS PRO Feedthrough Connector Gasket Dust Cap

RS Stock No.: 0100002, 0100012, 0100127

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This range of gaskets fit most of our feedthrough and non latching XLR connectors. They function as dust seals and for colour identification. Useable on plastic and metal models. They are all supplied with brass spacers. Using spacers can improve the sealing function and fit. Available in 3 colours.
For use with front mounted feedthrough and connector models.
