

## Platform trolley with push handle

Sheet steel platform, load capacity 500 and 600 kg

### Application:

For transporting heavy, bulky goods and materials, for continuous use in industrial applications.

### Execution:

- Modular system, entirely screwed
- Welded steel tube/profile steel
- Platform flush with frame, neatly welded in
- Other tyres upon request

### Advantage:

- Robust design and high load capacity ensure a long service life even when used for industrial loads
- FETRA plug-and-screw design allows trolleys and accessories to be altered easily

<b>Art. no.</b>	<b>50268 483</b>
